*Menu advisory: The Washoe County District Health Department advises that eating raw or undercooked animal foods or animal foods that are not otherwise processed to eliminate pathogens (such as meat, poultry, eggs, unpasteurized milk, seafood or shellfish) poses a potential health risk to everyone, especially the elderly, young children under the age of four years, pregnant women, and other highly susceptible individuals with compromised immune systems. Thorough cooking or processing of foods to eliminate pathogens reduces the risk of illness.

18% gratuity will be added to parties of 8 or more.
